

LEAF YOUR LEGACY

Leadership Burbank's 100 Centennial Trees

Leadership Burbank's **Leaf Your Legacy** project celebrates the City of Burbank's 1st Centennial. For over a century, the City of Burbank has rooted itself in values of people, pride, and progress. Leadership Burbank Class of 2011 wants you to **Leaf Your Legacy** and help continue these values for the next 100 years, by sponsoring one of Leadership Burbank's 100 Centennial Trees.

By planting a Centennial Tree you help create economic, environmental, and social benefits to the Burbank community. Branch out today, and be one of only 100 people to **Leaf Your Legacy** in the City of Burbank. Your valued participation will be commemorated in a monumental plaque displayed in the designated Leadership Burbank's Centennial grove.

For more information on how to sponsor your 100 Centennial Tree

Please Call. Rozan Mardozian - LB 2011 Fundraising Director
